# TRUE COLORS

*I see your true colors shining through.  
Don't be afraid to let them show.  
Your True colors...*

Try this metaphor on for size: Life is a gigantic coloring book. You get to choose the colors. Oh, sure, you can pick the usual assortment of primary standbys: blue sky, green grass, yellow sun. But remember the innocent excitement generated by that new box of Crayolas when you were a little kid? Ah! The infinite possibilities... What if the sky was brown or the grass was coral or the sun was purple! They were your colors; it was your picture.

Our coloring books are larger and more complex now, our moods, our feelings, our values, our tastes, our loyalties determine the colors of the events in our lives. We must still choose the tints and tones and shades for our experiences. We can put rainbows or clouds in our skies. We can leave the night sky dark and ominous or fill it with golden stars. Our colors. Our pictures.

Your True Colors: The color of the T-shirt you put on in the morning, the color of lipstick you wear on your date, the color of your boyfriend's eyes, the color of your girlfriend's hair. The colors of football jerseys shining through a snowy mist. The jewel colors of prom dresses; book covers, Channel One. The colors of our flag. Yellow buses plowing through snowdrifts. We see a diversity of colors that makes us stronger and wiser. We appreciate another person's color scheme, another person's true colors.

Will you follow the Golden Rule of the color of money? Will you be red hot or a shrinking violet? Will you leave the blue-light specials at K-mart for the wild blue yonder? Will you live in a purple haze or a rosy future? Will you be feeling blue or in the pink? Will there be silver linings in life's clouds, and maybe, once in a blue moon, a golden opportunity?

The Class of 1993 knows it's not easy being green. But Billerica High has given us some fine pictures to paint and some of them are in these pages. We think our true colors come shining through.

The Seniors prepare a Valentine's Day delivery; bouquets of flowers and balloons.

# Junior Prom

## *Through Rose Colored Glasses*

**W**ith the sun slowly setting over the harbor, the limos began to arrive at the Danversport Yacht Club. May 29, 1992, was a memorable evening for those who attended the Junior Prom held by the class of 1993.

When dinner was finished, the "Electric Slide" was played and the dance lured everyone to the floor. Dancing continued throughout the evening until it was time to choose the queen and her court. The finalists were slowly narrowed down to the winner. Carissa Stewart and her date, Mike Glavine, accepted the crown. They took center stage to dance to our prom song "Faithfully" by Journey.

With the moonlight shining through the windows, the evening came to an end. The memories of that evening will forever live in the minds of those who attended.

# It's Not Easy Being Green

In the past four years, the football team has sweated its way from the bottom of the heap to the top, finally rising to third in the M.V.C. Yet, in accordance with the old losing streak, a victory against Chelmsford on Thanksgiving seemed to remain beyond the reach of Billerica. Would 1992 be the year?

Despite some strenuous efforts by the Billerica players, 1992 would not be our lucky year. Billerica would walk away from the field with another painful defeat, this one 14-0.

Chelmsford began the game with a touchdown, but failed its point-after kick making the score 6-0.

Both teams battled it out, leaving the score locked in place until the third quarter. Chelmsford got a safety against Billerica, pushing their lead up two more points.

Chelmsford scored another touchdown towards the end of the fourth but failed the point-after kick, cementing the score at 14-0.

Despite the disappointing outcome, several players can be noted for their gritty determination, such as receivers Jonathan Duggan and co-captains Keith Gamble and Ryan Thistle, defensemen Nick Cristakis and Rhondell Sawyer, and quarterback Mike Mastrullo.

So another Thanksgiving gone—some more disappointment to swallow, and Billerica players and fans are left looking for a bright side and thinking: maybe next year.

# Blood Drive: Red Cross Meets N.H.S. to Save Lives

Right: Kirk Jalbert, Mrs. Bejtlich, Lauri Bejtlich, and Danielle Roncari take a break from the blood drive.

Below: Jessica Duggan helps the blood drive run smoothly.

Last April 15th, the American Red Cross gave Mrs. Bejtlich, the advisor to the National Honors Society, an Achievement Award recognizing the November 21st blood drive as a success. Over 120 people donated blood, surpassing the NHS's goal of 70 donors.

"We were surprised by the turnout," said Jill Delorey, the NHS Treasurer. She added, "It was the most successful blood drive in years." The reason the blood drive was so successful was because of the announcements and representatives going to homerooms to advertise the event. "The effort paid off," said Kirk Jalbert, President of NHS.

Jalbert believes that the efficiency of the blood drive was a success because the members were willing to help out in any way possible. He also feels that the record turnout will help remove the fear brought on by the AIDS crisis that some people have about donating blood.

# TRUE Colors

## SENIORS

The Class of 1993 is as diverse a student body as has ever graduated from B.M.H.S. The farmers of the 17th, 18th, and 19th centuries who plowed the fields where our homes, schools, and malls are today, would be astounded at the multicultural blossoming of the town. Here at the high school we have tried to celebrate our differences, respect our needs, and honor the richness that such diversity brings. And, as we have all tried to be true to ourselves, we have tried as well to come together in harmony.

She plays the flute, he digs rap, she's gone to soccer camp since she was eight. He serves mass, she's a Buddhist, he walks in the woods. His roots are in Africa, hers in China, his in County Mayo. He wears Doc Martins, she wears high tops, he goes barefoot when he can. He wants to be a dancer, she wants to be a cop, he wants to be left alone. She loves trig, he loves anatomy, she loves carburetors.

And somehow, if we work it right, we can show our true colors and make a rainbow at the same time.

# Badminton Tourney

This year's Christmas badminton tourney made BMHS history. Last year marked the beginning of coed teams and this year juniors were allowed to participate.

As with every year the teams became more and more creative. The "Bad Guys" came masked and ready to crush anyone standing in their way of the championship. However, the team of Gus Mellerup and John Caruso were ready. They defeated the "Bad Guys" and trounced the rest of the competition as well. Rumor had it that Gus was a pro badminton player in Sweden - good pickings Caruso! - and they came away as the boys team champs.

Tanya Collins and Todd Rumley took the coed team championship, and the team of Amy DeGeronimo and Alison Morrissey (A-n-A) defeated the other to grab the title.

# TRUE Colors

## FALL SPORTS

The colors of fall sports: The fading green lawns and dusty brown paths we run over in cross country. The white chalk lines that hem us in on a soccer field. The fans like sprinkled confetti screaming from the stands on frigid football Saturdays. A white volleyball spiked to the shiny floor. The blue of the pool, the green of the fairway. A pyramid of green and white taking shape as the cheerleaders demand more volume, more spirit.

# The Green Machine: Football

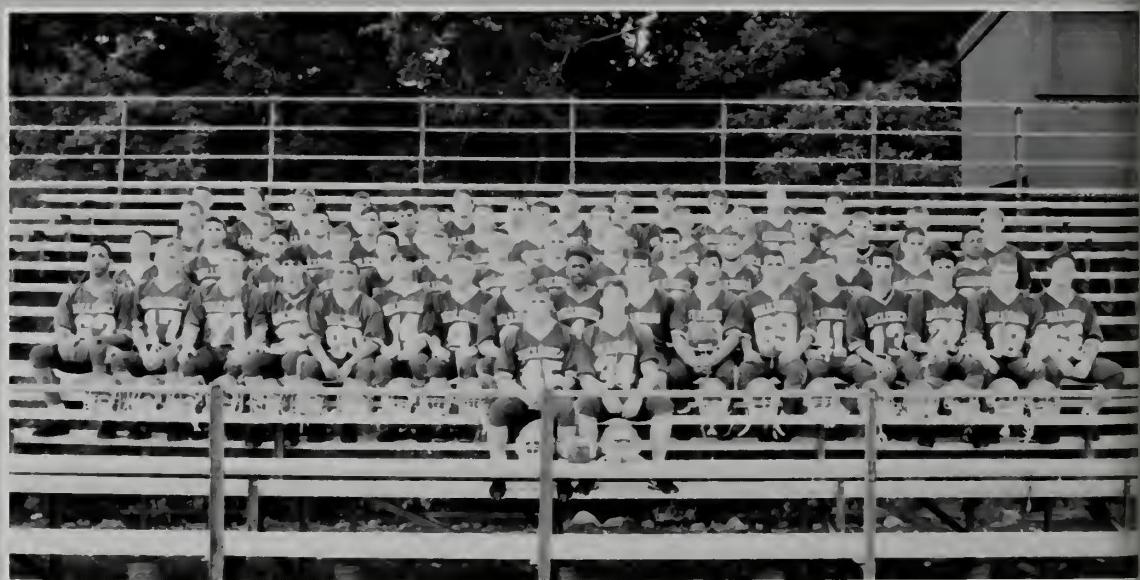

The beginning of Coach Peter Flynn's third season, like the two preceding seasons, brought high hopes and great expectations. The loss of key players to graduation and a 7-3 record the previous year had many people wondering how much better the Indians could become, but with plenty of returning starters and the new Run and Shoot strategy, the upcoming season promised to be exciting.

The first game of the season at Dracut showed the Indians' explosive offensive power with a final outcome of 33-6. The next game was to be held at the "Reservation" at the Marshall Middle School during the Yankee Doodle Homecoming weekend. The offense once again scored 33 points while the defense provided a shutout. The Indians came back to their own turf for the first night game at home in Billerica's history. The game against a strong Central Catholic team was a showdown determined by a Billerica touchdown resulting from a blocked punt and great defense. The Haverhill game was a disappointment as the Indians came up a point short and Haverhill had an upset victory. The Indians' offense was back on the warpath with a 55-0 win over Lawrence. This game made the 1992 Indians the highest scoring team in Billerica's history. The season stood at seven wins, two losses, and high hopes for the Thanksgiving Day game against Chelmsford. Once again Chelmsford ended up on the winning end in a 14-0 game and Billerica was to again end up with a 7-3 record.

Raise your hand if you're sure!

# The Green Machine: Varsity Cheerleading

The girls' 1992 cheerleading squad did a tremendous job with the help of new coach Rosie Petrosillo.

Our squad showed outstanding spirit at each game including the bonfire and Yankee Doodle Parade. These girls worked 110% to be the best, and they proved that by receiving second runner up in the Woburn Cheerleading Competition. With the help of returning senior-lettermen Captain Kelly Ryan and senior Jessica Gallagher, this team had no limits to what they could accomplish.

First year senior, Colleen Allen, added to the senior leadership of this team. Each and every one of these sixteen girls added a certain quality and talent that made this team as special as it was.

We all made special memories that will never be forgotten. Goodbye to the rest of the squad and thanks to our coach.

## The Green Machine: Band

The Billerica Memorial High School Marching Band and Silver Jade Color Guard has had another successful season. After a season of hard work and tough competition, the band traveled to Wayne, New Jersey to compete at EMBA finals. Competing against 13 other schools, the band was pleased to have placed fourth and received the title of "Massachusetts State Champions."

Over the last four years, the class of 1993 has engaged in many activities including countless football games, competitions, and parades. A concert band trip to England and a marching band trip to Memphis, Tennessee were highlights. During the fall of 1991, the band won a championship title, and second place in the Liberty Bowl Marching Band Competition. The band appeared on TV in the Liberty Bowl at the half time show and has held the title of Massachusetts State Champions for the past four years.

# The Green Machine: Golf

The golf team had a very good season this year. We finished with an overall record of 8-6-1, missing the state tournament by one point. Although we had a lot of tough losses, we managed to beat Andover in the last match of the season. The team had one All-Star, Mike Cotta; and two league honorable-mentions, Rich Thurber and Karl Infanger.

The success of the team could be attributed to the golfers themselves. The team consisted of seniors Rich Thurber, co-captains Karl Infanger and Chris Warren; Juniors Scott Bolser and Matt Eisnor; Sophomores Steve Moody, Paul Penti, Chris Roncari, Brendan Lewis, Brian Cerroni, Jim Powers, and Mike Cotta.

# The Green Machine: Swimming

The last four years have been a boom in size, talent, and prestige for the swim team, and '92 was no exception. The team shattered many records and expectations.

The first surprise came early in the season when a huge turnout of new swimmers swelled the roster to over forty swimmers and gave the team new depth.

Old and new talent combined to win down-to-the-last-event victories against Burlington and Methuen and an easy victory over Lawrence.

This improvement would have been impossible without the seniors. Captains Christine Polcari, Heather McMillan and Rebecca Hinde managed to keep forty-plus girls pulling for the same cause while they strove for their own goals. For four years Heather gained many points in 100 breast. Another four year veteran, Rebecca qualified for sectionals in the 500 free in 1992. Christine strengthened the team for three years in the 100 butterfly.

Michelle Sickorez, always ready with a loud cheer, beat her season goal by five seconds in the 100 breast in 1992. Kelley Mitchell's 25 second drop in the 500 free ended with a first place finish against Lawrence. From the 50 and 100 free to the 100 back, and especially in the 200 IM, Michelle McDonough consistently grabbed points for Billerica. Danielle Roncari could always be counted on to finish the grueling 200 and 500 free with a smile. And despite a late start, Katie Maes stuck to swimming and became an able sprinter.

# The Green Machine: Boys Cross Country

Although our record doesn't show it, we still had a great season. Our goal this year was to beat last year's record of 1 and 9 — which we did halfway through the season. Although we wanted to have defeated more teams this year, all the other teams were stronger in numbers. For example, Billerica had a varsity team with the minimum number of 7 runners. When we ran against Central Catholic, 58 boys got off their bus! We never gave up, though. We always gave it our best efforts.

Even though our team was small, we all had personal bests. Senior Dave Fay was named MVC All Star. Seniors Anthony Razzino and Darren Marsh ran the season in much pain but placed in most races. Sophomores Brendan Finn and Ken Holbrook had outstanding seasons. Junior Chris Spring always gave his best.

With the addition of Freshmen Billy Rochefort, Adam Manoli, Kevin McDermott, Aaron Donchin and Ian Davis, the Cross Country team has a strong future.

Coach Granfield has returned to coaching duties after a hiatus of many years. We wish him good luck rebuilding the team and making Billerica a strong Merrimack Valley contender.

# The Green Machine: Girls Cross Country

This year's Girls' Varsity Cross Country team radiated strength and pride. The team finished with an overall record of five and four.

Leading the team composed of twenty impressive Billerica runners were senior Tri-captain Laura Traynham and senior Linda King. Laura Traynham had an outstanding season playing first for the team and later gaining recognition as MVC "All-conference" to finish off her season. Senior Linda King also ran well, placing second on the team and capturing the title of MVC "All Star" at season's end.

Senior tri-captains Bernadette Donovan and Carolyn Hurray also ran well and always encouraged the rest of the team. Sophomores Jamie Donovan, Jessica Geisser and Stephanie Walsh, and Freshman Melissa Thomas were also top team scorers.

The graduating team members wish best of luck to the 1993 Cross Country team and send special congratulations to the 1993 captains Jamie Donovan, Jessica Geisser, and Stephanie Walsh.

# The Green Machine: Girls Varsity Volleyball

The 1992 lady Indians volleyball season was a surprising one. The team pulled together after the loss of 11 seniors, finishing the regular season with a record of 12-5, and qualifying for post-season play.

The team was led by co-captain Melissa Rochefort, setter; co-captain Beth Love, middle hitter; seniors Becky Kusnierz, outside hitter; and Barbara Solomon, defensive specialist. The team also consisted of juniors Amy Falite, Courtney Cronin, Mary Battcock, Jacey MacGinnis, Amy Sherwood, and Melissa Bishop. Newly acquired coach Maureen Hounanian played a key role in many of the lady Indians victories.

The culmination of the team's hardwork and dedication was unveiled in the victory over arch rival Chelmsford. The Indians rallied in the third game from a 14-12 deficit to overtake the lions 16-14 and bring home the win. Good luck to the graduating BELUGAS and may you always have enough water.

# The Green Machine: Boys Varsity Soccer

The boys 1992 soccer season was successful. We ended up with a 9-4-5 record by handing Chelmsford and Andover a defeat on their own home turf, and tying Lowell by scoring 2 goals in the last 8 minutes of play.

There were no outstanding players on the team. Everybody who was put on the field was ready to play, and play at 100%. At practice everybody showed that they wanted to play, so it made it hard for the coach to pick a starting lineup.

This year Dennis Baniewicz got the Most Valuable Player Award for the MVC, and All-Conference. Aaron Duncan received All-Star, All-Conference, and Todd Rumley took away All-Star. Rich Casilini and Eric Pacheco played in the Senior Bowl with Todd, Aaron, and Dennis.

Billerica played Framingham in the state tournament and we played our hearts out but came out on the shorter end of the stick. Framingham went on to win the whole tournament. This game was the last game for the graduating seniors including Todd Rumley, Aaron Duncan, Dennis Baniewicz, Rich Casilini, Eric Pacheco, David Brown, Bob Ross, John Bartlet, Greg Foley, and Joe DeBernardo.

We the team want to thank the coaching of Joe LoDuca and Doug Clair who put up with us for a year. It was a pleasure to have Doug as an assistant coach doing a great job with the J.V. team. It has been a great 4 years and we're going to miss the coaches as much as they're going to miss us. Good luck in the years to come.

# The Green Machine: Girls Soccer

The girls varsity soccer team had another excellent year and was one of the best in the state. The team repeated as Merrimack Valley Champions and was seeded weekly in the Boston Globe, with a high seeding of third.

Many school records were set by this team, some of them were the most wins (17), the least goals given up (6), most goals scored, and the most shutouts (16) in one season. Danielle Ouellette achieved the most career goals. However, this Billerica team was anything but a one-man team. This fact was seen on and off the field by everyone. The team also leaves the high school unbeaten at home in the regular season for four consecutive years.

The 17-0-1 record after the regular season was the best in the EMASS and gave the Indians the first place seed in the state tournament. After a bye in the first round, the team played eighth seeded A-B, and played a very uncharacteristic game that resulted in a 2-1 loss.

Many accolades went to this great team. We had six players make the All-Conference team. They were Amy DeGeronimo, Tanya Yavarow, Nicole Tzannos, Danielle Ouellette, Alison Morrissey, and Dawn Passerini. Four made the All-Star team, and two, Tanya Yavarow and Danielle Ouellette, were named to the EMASS team for the second year in a row. Also for the past two years many members of the team received honors and a total of six players were named Lowell Sun All-Stars, Boston Globe and Boston Herald All-Scholastic.

## Hockey Green With Envy

We played all of our hockey careers hoping for the moment when we would play on the varsity hockey team. This year we accomplished much more than that; our team finished the season with a record of 17-4-2. This enabled us to go where only eight teams can go- Division 1A. Along the way we picked up second place in our Christmas Tournament, losing in a shoot-out to Acton-Boxboro. We also captured first place in the Ed Cahoon Memorial Tournament with a record of 1-0-1. Inevitably, we captured our ninth straight M.V.C. title and, for the second year in a row, won the title by beating Chelmsford.

Entering the Elite Eight Tournament as the number four seeded team, we played Arlington, who was fifth. We lost 3-0 and had to play Weymouth. We won the game with a score of 7-3. Once again, for the fourth time in our careers, we were one game away from Boston Garden. We had to play Arch Bishop Williams. We played that game to the best of our ability and we gave all we had for forty-five minutes, but, like many times before, came out with a loss.

This hockey team had the most pride and ability of any team in the state, even though we did not win the states. We never lost our composure at any point during the season. No matter how bad we were losing, we stayed calm and cool until the end of the game. The buzzer rang for the last time in our high school career with the score board at Conti Forum reading 4-2 in favor of Arch Bishop Williams.

Everyone on the team left that night with his head held high and feeling proud for what they had accomplished for themselves, their school, and their town.

## Girls Basketball Green With Envy

The deceptive record of 4-14 does not represent the true talents of the '93 Lady Indians basketball team. Under the direction of first year coach Tom Connors, and the leadership of tri-captains Danielle Ouellette, Heather Andrews, and Kim Norman, the girls basketball team never quit, and refused to let a game get out of hand. Four close mid-season games, each lost by only three points or less, demonstrated the spirit and teamwork of the Lady Indians. But luck was not wearing green this season.

A mid-season league duel was the highlight of the year. With all players at top performance, the Indians took a surprised Tewksbury coach and his team into a double overtime battle. Although the outcome was a heartbreaking loss, the game was played with intensity unlike ever before.

Along with the captains, the rest of the seniors, Alison Morrissey, Christine Teixeira, Jessica Prime, and Dawn Passerini, helped lead the team to victory at the Greater Lowell Holiday Tournament for the third straight year. This confidence booster paved the way for 2 more wins for the season to finish the year with a record better than any seen in recent years. With quality underclassmen remaining on varsity and upcoming talent from the freshmen and J.V. teams, BMHS girls b-ball will soon be a powerhouse in the MVC.

## Boys Basketball Green With Envy

The 1992-1993 basketball season was a long difficult affair. The Indians finished the season with a 2-17 record. However, the spirit of the team remained high and optimistic throughout season. The players were always eager and competitive with the other Merrimack Valley Teams.

The team was led by senior tri-captains Dennis Baniewicz, Aaron Duncan, and Jason Reid. Other instrumental seniors were Matt Dibble, Todd Renneker, Chirag Shah, and Kevin Taylor. The rest of the team was composed of juniors Tom Bell, Chris Burns, Rich Walukiewitz, and Zach Ziccitella.

The team's first and most exciting victory came against Lawrence. Entering the second half down by 14 points, the Indians would rally back to win 68-61. Our second exciting victory came against Haverhill. The team played inspired and handily won 44-29.

The team did not have the previous year's impressive record of 12-3 but still played with Billerica pride. The team appreciated the support of the parents, fans, and cheerleaders on and off the court.

## Boys Indoor Track Green With Envy

The boys indoor track team was led by senior co-captains David Fay and Tom Davis to a rather impressive season despite the loss of superstar Corey Cameron. Although they finished 4-4 they had many great victories while competing in one of the hardest leagues in the state. The highlight of the season was the shocking victory over Chelmsford. It was Billerica's first win against Chelmsford in thirteen years.

Brendan Finn, who ran the 600 and the 4x4 relay, was the star of the team. As a sophomore, he held the meet record of 1:19.0 in the 600. Another surprise of the year was Gustaf Mellerup, a Swedish exchange student. Running 5.6 Paul Belino tied the school record in the fifty yard dash.

The two mile relay team of Brendan Finn, Gustaf Mellerup, Darren Marsh, and Anthony Razzino captured a victory at the Northern Area championships with a time of 8:55.9.

Other contributors to the success of the team were a number of underclassmen. Among them were Ed Crowley, Matt Demares, Mike Sucheki, and Tom McCabe.

The team was coached by Chip Jones and assisted by Bill Cameron and Peter Flynn.

## Girls Indoor Track Green With Envy

The girls' indoor track team kept up a strong pace in the 1993 season with a record of five wins, three losses. Leading the Lady Indians through this winning season were senior captains Amy DeGeronimo, Linda King, Laura Traynham, and Tanya Yavarow.

Contributing to the team's fine performance were seniors Dawn Passerini, Nicole Tzannos, and Barbara Soloman; juniors Amy Falite, Jacey McInnis, and Debra Cohen; sophomores Jamie Donovan, Jen Rouine, Alndrea Salerno, Jenn Sapienza, Joanna Tzannos, and Stephanie Walsh; and freshman Lynn Murphy and Melissa Thomas.

One highlight of the season was the team's placing third in the Northern Area Championship meet. Also Amy DeGeronimo made All-Conference in the 300, and in the M.V.C. all-stars were Laura Traynham (distance), Andrea Salerno (mid-distance), Linda King (mid-distance) and Tanya Yavarow (hurdles). The girls team can be remembered as determined and spirited.

## Wrestling Green With Envy

This season's wrestling team was one of the best the high school has ever produced. The Indians were the 1992 Lowell Holiday Champions and Division 1 Commonwealth Champs. This is the best showing at a tournament the high school has had since 1983, when we won the Division I State Championship. The team sent captains John Burrows, Chris Gelormini, and Joe Manne as well as Rich Antonellis, Nick Christakis, Keith Gamble, Sean Jenkins, and Kirk Legatos to the state tournament. Additionally the wrestling team provided B.M.H.S. with two state champions this year- John Burrows and Joe Manne. The starting line up for the team included the eight wrestlers sent to the state championships as well as Jeff Derosas, Chris Hatch, Matt Hogan, Jeff Oliver, Adam Razzaboni, Jamie Ross, Tim Sullivan, and Eric Whittila.

## Gymnastics Green With Envy

Young but determined, the gymnastics team finished a promising season. Although the team hoped for a better record, talent shined.

Billerica rallied to score a season high of 117 against Arlington, shattering the modest goal of 110 the team had set at the beginning of the season. Billerica has also managed to cut down on falls off beam.

Improved but not improved enough, however, Billerica beat Lowell and Wilmington this season but suffered seven losses.

Seniors Cindy Vokey, co-captain, and Lisa Turcott finished their careers with strong seasons. Cindy Vokey was key in the floor exercise and on the uneven parallel bars, capturing high scores in both. She qualified in floor exercises for the M.V.C. Championships.

Lisa Turcott was also key, supporting the team on the vault and bars.

Junior co-captain Stacy Sullivan was a great strength to the team this year, consistently placing among the top in her events.

While the veterans held the line against competition, new talent was impressive. The greatest surprise of the season was the freshmen talent, namely Robin Porter, Kristen Khoshbajan, Amy Plimpton and Dawn Dellano.

Highlights included close victories over North Quincy, 6-5, Lawrence, 1-0, Lowell, 2-1, Dracut, 3-2, and Quincy, 6-5.

The team will lose several seniors who have been key over the years.

Senior Ryan Thistle captained the 1993 team, and other seniors also stood out. Mike Beals and Aaron Duncan, both starting pitchers, were able to start in other positions as well.

Tom Davis played third base while he was also recording a high batting average.

Kirk Legatos was great in the center field and was also a good offensive player, with a high batting average. The team is also strengthened by Jon DeLisle.

The girls' varsity softball team made the states for the second year in a row and clinched the MVC title for the third year in a row.

Coach Pat Higgins led the team to a 7-5 victory over Haverhill early in the season, avenging Billerica's loss to the Hillies in the second game of the states last year. The team went on to beat Haverhill again, 7-2, later in 1993.

Billerica finished with a 14-4 record. The team's co-captains were pitcher Beth Love and catcher Melissa Rochefort, both seniors. Other seniors included Kim Norman, Caroline Huray, and Becky Kusnierz.

The lacrosse team had a great year, taking the league title for 1993 and finishing with a 17-4 record. Highlighting the season and clinching the title for Billerica was a 6-4 victory over Winchester.

The team's victories also included a close one over Lexington, 10-9.

Several key players led the team this season. Captains Bryan Ronayne, Lou Cugno and Dennis Banewicz, seniors Steve Teta, Rich Casalini, Jason Barbaro, and Josh Heckman and juniors Chris Burns and Rhondell Sawyer made up the core of the team.

Promising upcoming players included Geoff Silva, Brian Tucker, Chad Yavarow, Tom Bell, Matt Daley and Gary Bricher.

## Volleyball Everything's Coming Up Green

With ten senior varsity players, the volleyball team cinched a top position in the league and qualified for states this season.

Defeating many of the top teams in the league and finishing 12-4, Billerica proved to be a worthy opponent. After two tough losses to Chelmsford and Andover, the team made a dramatic comeback to avenge these losses. The second time around, Billerica beat Chelmsford 2-1 and shattered Andover's winning streak in another 2-1 victory.

The team featured seniors Geoff Tebbetts, Mark DiFraia, Chris Warren, John Caruso, Karl Infanger, Matt Dibble, Eric Santilucito, Tim Quinn, and Todd Renneker, and also junior Dennis Candelora.

## Girl's Track Everything's Coming Up Green

With many star runners crowding its ranks, the girls' track team finished with a 3-2 record.

Several students stood out as top performers.

The star runners were Nicole Tzannos in the 100 meter, Amy DeGironimo in the 200 meter, Tanya Yavarow in 330 meter mid-hurdles, Linda King in the 400 meter, Andrea Salerno in the 800 meter, and Laura Traynham in the mile. Salerno was only defeated once in the 1993 season.

Also key to the team were Joanna Tzannos in long jump and high jump, and Heather Andrews in the triple jump.

Andrews equalled her best jump of 31 feet 11½ inches at Loucks Games in New York.

Dawn Passerini has been consistently top in the league in discus. Also placing high were Jacey McGinnis and Allison Morrissey throwing javelin placed third at the Loucks Games. She had only one defeat this season.

The team will lose several seniors: Morrissey, Passerini, and captains DeGironimo, Yavarow, Andrews, King, and Traynham.

## Boys Track Everything's Coming Up Green

The season brought few wins for the boys' spring track team. Despite a record of 1-5, Billerica tried hard, and achieved some memorable successes.

Some meets have stood out during the season. The team beat Dracut, 99-45, and rallied from behind to almost beat Haverhill. Closing the season, Brandon Finn, Tom McCabe, Paul Bellino, and Ed Crowley represented Billerica at the state meet.

Departing seniors Dave Fay, Ken Collins, Nate Jordan, James MacNutt, Jay Omobono, Nick Hennessey, and Todd Baldwin will be missed.

## Girls Tennis Everythings Coming Up Green

The girls' varsity tennis team finished off the season with an 11-5 record.

The strength of the team was with the first and second singles players. Senior Sindi Boudreau played outstandingly at first singles and achieved an all-star commendation. Junior Julie Gibson played second singles and achieved all-conference. Third singles was shared by Casey Mahoney and senior Barbara Solomon, who also played well for the team.

The doubles teams consisted of seniors Laurie Savage and Barbara Solomon, who played at first doubles. Second doubles was shared by freshman Tina Caraba and junior Gayle Pascucci, as well as freshman Susan Foisy and Katherine Whitman. Both doubles teams played well throughout the year.

The team capped off the year with a 3-2 loss to Arlington in the preliminary round of the state tournament. The team is losing three of the seven starters, but with talented underclassmen coming up, they should have an even better team next year.

## Boys Tennis Everything's Coming Up Green

The 1993 boys tennis team finished off the season with a record of 5-11. This record was disappointing to all who were involved with the team. At the start of the season, the foot of snow that was on the courts forced the team to practice in the Marshall School gym while other teams, such as Andover and Chelmsford, were playing on indoor courts. The snow kept the team off the courts until a few days prior to the opening match.

The tennis team was led by three seniors: Gus Mellerup, Kevin Taylor, and Jason Reid. Gus, an exchange student, played first singles and was nearly unbeatable as he won the leagues all-conference award. Taylor, a co-captain, played second singles and had a strong year. Reid, a co-captain, used a serve that might have been considered the fastest in the league to win points at first doubles with a variety of partners. Also playing well for the Indians all year were juniors Scott Bolser, D.J. Butler, Jack Diaz, Bob Hudson, and Chris Spring.

Although they had a 5-11 record, the team was better than the record indicates. The team was not an easy win for any team as four of the losses were determined by one point. In a tough loss to Wilmington, both Kevin Taylor and the team of Scott Bolser and D.J. Butler set third set tie-breakers. The Indians finished the season strong winning their last two matches against Methuen and Haverhill.

Because the team will lose their three top players to graduation, the league may be counting out the Billerica team. However with five returning seniors next season Coach Severo's squad might surprise a few people.

# TRUE Colors

## ORGANIZATIONS

B.M.H.S. would be a pretty colorless place without the clubs and organizations noted on the next few pages. "Joining" has never been easy, but Billerica has many students who are anxious to show their true colors by participating in the activities and organizations that enhance and enrich their personal lives, while adding highlights and rich tones to our entire school community.

The Class of 1993 reorganized and revitalized student government over the last two years.

The audio-visual club displayed ever-increasing sophistication in productions. The music kids not only provided the usual pizzazz with chorus, ensemble, marching band, and musical, but led us into drama with the formation of the new Theater Company.

The activities of Amnesty International, Peer Assistance, and S.A.D.D. showed us that looking outside ourselves is the only way to get the big picture. The French and Spanish/Italian clubs polished their accents and cultural awareness, and the science club polished the future. The members of the yearbook and Billerica Beat reflected our images back to us in black and white and living color.

Joining a club or activity is like wearing your colors on your sleeve. We wear them well.

The 1993 BMHS Warrior Yearbook staff has been busily working all year. Editors Heather McMillan, Chris Economakos, and Rebecca Hinde worked hours on end to bring you the colors of our school. Junior interns Diane Rosati, Sharon Tabor, Doreen DeBlasi, and Jill McLaughlin got experience helping the staff. Ms. Marinaro and Mr. Flynn have been working on their seventh yearbook together. ## National Honor Society: Using Our Greymatter

This year's National Honor Society had over fifty members! It has been the largest NHS we've seen in years. Five new seniors were inducted into the society this year; Jen Pike, Jen Bloise, Mike Mietzner, Lisa Wamnus, and Gail Gonnella. Two blood drives were sponsored and run by the NHS students. As president of the National Honor Society, Kirk Jalbert never had a moment's rest keeping the enormous group running smoothly. Thanks to the members of NHS for adding color to BMHS.

"Face the facts!" - that was the goal of *The Billerica Beat* staff for 1993. From sexual harassment to A.I.D.S. to dress codes, little escaped the attention of the student newspaper. The staff worked hard to put down the facts in black and white for its readers.

The past two years were challenging ones for the paper. Due to school budget cuts, *The Beat* lost all its school funding. Also, previously produced as part of a journalism class, the paper was now put together after school and during study. Despite it all, under head editors Rebecca Hinde and Lisa McPhail and advisor Mrs. Giroux, the staff managed to produce what many believe to be the best *Beat* ever.

Many controversial topics were addressed in *The Beat* in 1993, often in ways never seen before at B.M.H.S. In its most controversial issue to date, the paper focused on safe sex in Billerica. Included was a commentary by editor Jennifer Garrett, supporting condom distribution in school.

A number of other controversial subjects were covered. In a feature by editor Danielle Roncari, students expressed their opinions on homosexuality, while sexual harassment was highlighted in an article by editors Rebecca Hinde and Danielle Roncari and reporter Jaime Lee. Other topics addressed included date rape, hazing, and A.I.D.S.

*The Beat* also featured student profiles, sports page, club news, annual senior pullout and other items.

Putting in the long hours were many dedicated staff members. The veteran editorial board was rounded out by seniors Danielle Roncari, Beth Kellerman and Jen Martin and juniors Jennifer Garrett and Diane Rosati. The editorial assistants - sophomores Cathy Legg, Michelle Ouellette, Maureen Cronin, Chris Roncari, Neeta Jain, Sarah Frederick, Carrie Epsimos and Jaime Lee - were always enthusiastic. Advisor Mrs. Giroux was always available with encouragement and sound advice.

Good luck to 1994 editors, Diane Rosati and Jennifer Garrett.

# Ten Little Indians

The 1993 school year saw the reincarnation of the Drama Club as the BMHS Theatre Company. Under the direction of Mr. Jeffrey Gage and assistant director Brian Hammer the cast and crew of Ten Little Indians worked for four long months to put together the spectacular production.

Despite the hard work, the cast and crew had many great moments together at practices every night. Everyone pulled together at the end and, despite the worst snow storm New England had seen in years, dazzled audience and critics.

### To the Members of the Class of 1993:

The future is yours. It will be filled with boundless opportunities and the independence of adult life. But with the future comes the uncertainties. Will society meet the challenges ahead? How will you measure yourself to these challenges?

The positives will outweigh the problems. Keep the winning spirit and the attitudes of success. I know you will be a credit to yourselves, your families, and to the Town of Billerica.

I join with the Billerica School Committee in congratulating each and every one of the Class of '93. May your future be filled with happiness and achievement.

Sincerely,

Graduates,

With your graduation, you reach a threshold in your life where you move on to adulthood. While I hope you have learned at B.M.H.S. the skills and attitudes that will be required for a successful career, my hope for you is that you can in your life avoid what Mahatma Ghandhi called "The Seven Deadly Sins" and what Steven Covey sees as the obstacles to a happy life.

Wealth without working for it  
Leisure without a sense of conscience or responsibility  
Knowledge without values  
Business without a sense of ethics and fairness  
Conscience without an understanding of its purpose of saving humanity  
Religion without a sense of service to others  
Politics without principle

If you do avoid these destructive traps, I am confident that you all will emerge as leaders of your family, workplace and your community.

Congratulations on your graduation. Wear this honor with pride and stay in touch.

With best wishes,

# Paint By Numbers?

Not just coloring by numbers, B.M.H.S. artists received top awards in the Boston Globe Scholastic Art Contest in 1993. Several students were awarded the contest's highest honor, the Gold Key.

Kara Lyerly was awarded a Gold Key for her work entitled "Dimentia," while Kerry McNutt won a Gold for her painting, "The Yearning." Jason Bailey also grabbed a gold with his painting "Gone Fishing."

"Screaming Love Words," won Jason Guerraz a Silver Key, the contest's second highest honor. Jason Anderson also got a silver for his "Faded Memories," while David Ball got a Silver for his painting "Campaign Promises." Brian Hammer won two silver keys for both his sculptures, "Urban Resurrection" and "Meet Me Under the Mistle."

Capturing honorable mentions were Joel Sarno's "Nite-Spot," Daniel Desmond's "Observation of Robert," and Kerry McNutt's "Made in the U.S.A."

# Farewell Mr. Alcott

Being a B.M.H.S. assistant principal is a little like being the old woman in the shoe who had so many children she "didn't know what to do." So many kids, so little time. Lucky for us that Mr. Alcott did his job with concern and an unflappable style that touched most of us. The class of 1993 is the seventh class that has benefited from Mr. Alcott's guidance as he steered us towards our graduation goals.

William E. Alcott graduated from Suffolk University in 1957 with a B.A. in Biology and Chemistry and a sociology minor. In 1970, Mr. Alcott left the classroom part-time when he was appointed Housemaster. In 1981, the position was renamed Dean and became a full time position. In 1986, he became known as Assistant Principal. Regardless of the title, Mr. Alcott left the world of fetal pigs, bones, and pulleys for the field of cut slips, cume-outs, prom photos, and helping kids with the day to day problems of getting through high school.

Mr. Alcott has given thirty-three years of his life to B.M.H.S. He has offered his dedication and hard work and received good memories as well as our thanks and respect in return. We wish him a long, happy, and relaxing retirement.

# Green Eggs And Ham

During the 1992-93 school year, the high school cafeteria underwent a major face-lift. The transformation began in 1992 with a few changes. The walls were painted battleship gray, which worried us for a while.. But then the railing went from blue to red and splashes of color were added to the poles in the pit. Next, colored signs were added everywhere and vividly striped curtains graced the windows. The cafe went from dull and drab to bright, bold, and full of life.

To mark the dedication of the new food hall, Mrs. Ford and the cafeteria workers threw an all-out bash on Thursday, January 28. A D.J. provided musical background that soon had everyone, even the shy freshman, dancing and singing along. Food vendors provided treats with terrific variation and everything, from corn-dogs and ribs to pizza and ice cream minatures, was free. Looking like a scene from "Fame," the cafe was christened "The Cafe Connection." "Let's do this everyday" was the general comment. Could we, huh?

# Student Government

Democracy was alive and well at B.M.H.S. this year as a new and improved Student Government fought for a variety of reforms.

Thanks to the volunteer organization, a permanent Food Pantry collection was established, a guest panel spoke about AIDS in spring of 1993, and next year, a leading authority on sexual harassment will speak at the school. Congressman Meehan may visit also.

Student Government also fought for a recycling program, examined ways to reduce smoking in the bathrooms, and debated the discipline of attendance policies.

S.G. faced some problems this year, however. The government spent much of its time fighting to avoid having to pay an activity fee, which they opposed as a tax on free speech. They eventually won.

Also, in an effort to make itself more "credible," said Eric Giroux, president, S.G. changed its structure. Next year, the government will be divided into an elected body, made up of senators elected by each class, and a volunteer body.

This year Danielle Roncari was vice-president, Jill Delorey was secretary and Lyle Bibler was moderator.

Top right: Eric Giroux, as president, keep student Government under control.

# Date Rape Program

"Rape is a violent act that is carried out because of anger and the need to dominate," explained Sharon Rettberg, a VISTA volunteer from the Lowell Rape Crisis Center, to B.M.H.S.'s health and gym classes last year. "It isn't committed for sexual reasons."

This was just one of the difficult facts the program dealt with, as the volunteers tried to discuss the subject and educate the students.

According to statistics provided by the Men To End Sexual Assault (MESA) and discussed by the volunteers, 33.3% of American women will be raped during the course of their lives.

Every three minutes, a woman in the United States is raped, and more than 90% of these crimes are never reported to the proper authorities.

Rettberg stated that fear of subsequent attacks and embarrassment are the prime reasons why women are reluctant to inform the police when these crimes occur.

The term "date rape", used when a woman is assaulted by an acquaintance, is a phrase that Rettberg is opposed to. She feels that it undermines the seriousness of the crime.

Kirk Jalbert viewed the presentation and commented that "the topic was difficult to discuss in coed classes, or in any situation," and that the program "was informative, but an interactive class [would] tend to dig deeper into the subject."

Sarah White thought that "it pointed the facts out and made them obvious."

VISTA, which stands for Volunteer in Service to America, sends volunteers, such as Rettberg, to various places in the United States, and acts as a domestic peace corps. Rettberg works for the Rape Crisis Services of Greater Lowell, a nonprofit organization in conjunction with Lowell General Hospital.

She "sees a lot of people" and says that "schools ask us to come in [to give presentations]."

"When I Must Leave You"

When I must leave you  
for a little while -  
Please do not grieve and shed wild tears  
and hug your sorrow to you  
through the years,  
But start out bravely  
with a gallant smile;  
And for my sake and in my name  
live on and do all things the same.  
Feed not your loneliness on empty days,  
but fill each waking hour in useful ways.  
Reach out your hand  
in comfort and cheer  
and I in turn will comfort you  
and hold you near.  
And never, never be afraid to die,  
for I am waiting for you in the sky!

Just said good-bye to another good friend,  
 Everyone loved him, his pranks knew no end.  
 Friendly and free spirited always shone through,  
 Fooling around in whatever he'd do.  
 Remember the stories he'd tell in the past?  
 Everytime he opened his mouth we would laugh.  
 Yelling and dancing down the halls he would go.

Doing his "monkey" was always a show!  
 Unique in his way, crazy stories he'd paint.  
 Now remember the times in the hallway he'd "faint"?  
 Always a helper, he'd stick up for a friend.  
 Kindness and affection he always did send.  
 In our minds we reflect, with a smile, what he'd do.  
 Never to be forgotten, Jeff we'll always love you.

# In Memoriam

## Mr. Paul Stanton

Marsha Stevens and Terri Leard

On November 20, 1992, we at Billerica Memorial High School lost a teacher and a friend. When influential person dies, people try to "fill that person's shoes." No one could fill the shoes of Mr. Stanton. Mr. Stanton, a teacher for 21 years, was a friend to many of his former students.

How many people do you know that get up every morning to go to work with a smile on their face and come home with the same smile? Well, it was the kind of man Mr. Stanton was, always trying to make people around him happy.

As a teacher at Billerica Memorial High School, Mr. Stanton started several programs to help the students. One of the programs that Mr. Stanton started was the Freshman and Sophomore Learning Community where the students had the same teachers and were able to adapt more easily to their new environment. This program was a great help to the incoming freshman. Mr. Stanton gave them a chance to see the high school from a different perspective.

Any student fortunate enough to have Mr. Stanton, for a teacher, knows he was there to listen, offer advice, and give whatever was needed. Those people know what we are talking about and will carry his memories with them.

For all the unfortunate people who will never have the chance to meet this wonderful man, you've missed out on great thing. Maybe we will all be lucky enough to meet another man like Mr. Stanton.

As one of Mr. Stanton's former students said, "they say God takes the best first." On November 20, 1992, that statement proved true.

A special thanks to all the students who helped with this article.

Thanks for all the memories, Mr. Stanton, we love you and we'll always miss you.

## SENIOR EVENTS

**K**aleidoscope-(1)Colored glass reflected in an endless variety of patterns (2) a succession of variegated phases or actions.

Senior year is a kaleidoscope of changing scenes. We have arranged and rearranged ourselves in a myriad of shifting positions over the last few years and now, with a few twists of the solar system and fate, here we are in the stands at graduation, a blur of green and white, listening still to a litany of do's and don'ts, and wondering how it all flashed by so fast.

The end of the year on Kodachrome: class day, sign-out, the award ceremony, the prom, graduation. See the good times that colored our lives in these pages.

Mr. Alcott put the final signature on the sign-out sheets.  
Joe DeBernardo sings "The National Anthem" at graduation ceremony.  
Chrisi Economakis sings at the senior recital.

# Bye Bye Birdie

Conrad Birdie (Joe DeBernardo) is going into the army. His manager Albert Peterson (Brian Hammer) and Albert's faithful secretary Rosie Alvarez (Kelley Mitchell) planned to send Conrad off with a bang. From random, Kim MacAfee (Melanie Smith) was chosen to be the girl Conrad would give "one last kiss."

Meanwhile, SweetApple, Ohio was bustling with the news: Kim MacAfee had just been pinned to Hugo Peabody (Lucas Breen).

The whole town turned out to welcome Conrad. Everyone in SweetApple was excited to hear that Kim was selected to receive that one last kiss from Conrad; everyone, that is, except Hugo. He was very jealous! Rosie had a plan to stop Conrad from kissing Kim and getting back at Albert for replacing her with Gloria Rasputein (Missy Miller), but she needed Hugo's help.

She snuck Hugo into the Ed Sullivan Show where the one last kiss was going to take place. On live television, Hugo knocked out Conrad calling him a "thief of love." Unfortunately, Kim wasn't impressed and told Hugo she never wanted to see him again. Rosie, who was much more than his secretary, also left Albert.

That evening Rosie went out to make up for the eight years she wasted on Albert. In Maude's bar, Rosie met her wild time with the Shriners

Conrad also planned a night out on

the town. Albert was losing control. He had to find Rosie and beg her to come back to him.

Albert found Rosie and they set off to find Conrad before the angry mob of parents found him. It seemed that all the teenagers of SweetApple had snuck out because they had "such a lot of living to do," including Kim.

Kim and Conrad stole away to the Ice House alone. It wasn't long however before Ursula (Zoe Lawson) and the

kids joined them to enjoy the free. However, Mr. MacAfee arrived and the police to arrest Conrad!

Albert had to sneak Conrad out of town on the early morning train and bailing him out of jail. He also sent overbearing mother Mae (Jen Gable) on the train back to New York. The left taking away all of Albert's problems. He and the new Mrs. Rosie Peterson were on their way to Pumkin Falls, to the fill the position of English teacher.

The BMHS school musical was a great success this year. *Bye Bye Birdie* thrilled audiences and reminded the middle-aged crowd of their care-free childhood. The chorus was comprised of sixty people from all four classes and was vocally ready ahead of schedule. The show didn't go on without a hitch. The sets proved to be too large for the stage, which made moving them virtually impossible. After much time and teamwork, the problem with the sets was corrected and the show went on as usual. As the final practices came along, the cast started to pull even closer together, knowing that the four months required to put the show together were coming to an end.

# Follow The Yellow Brick Road

Innocent fun, or a disruption? Censorship, or merely maintaining decorum? No matter which side you took, you'll remember the Class of 1993 graduation as the "Beach ball Controversy."

It all began when it was announced that seniors would not receive their diplomas on stage, but rather after the ceremony. In an effort to crack down on the traditional practice of hitting beach balls around during the ceremony, the administration also announced that any student found to be disruptive would be escorted out by a plainclothes police officer. This angered many students and their feelings were expressed during the ceremony.

After celebrating the seniors' "wild streak," class president Lauri Bejtlich did not fail to note the controversy in her speech.

In a speech urging the students to be more tolerant towards diversity, valedictorian Danielle Roncari said the new rule limited diversity by curbing free expression.

Salutatorian Geoffrey Tebbetts also spoke, touching on the class accomplishments in times of "staggering realities, such as A.I.D.S. and violence."

In the end, however, the graduates complied with the administration's rules, sitting tamely through the ceremony and breaking into a wave only after the last name was called. Jubilant, but beach ball-free, the class of 1993 lined up to receive their actual diplomas and spilled onto the field to be feted by family and friends.

Mr. Giroux handles the last minute details before leading us onto the field.

Mrs. Rivard replaces her tardy slips with red roses.

The procession starts its way  
to the field.

Dr. Calabrese gives some quick pointers to Geoff Tebbetts.

Top Right: Soon-to-be-graduates sit and listen patiently (without beach balls).

Darryl Chancy, Bryan Casio, and Jill Delory take the long walk.

An anxious crowd awaits the signal to go.

Chirag Shah, Colin Murphy, Jason Reid, and Michelle Sickorez gather for a cap and gown pic.

Friends should always be together.

"Everyone sitting in this patchwork of green and white is unique. Hopefully the talents we possess will carry us through our lives and give us the strength to face any challenge."

*Laurie Bejtlich*

"As a class we have already begun to realize that different talents and diversity enrich our environment."

*Danielle Roncari*

"This year the seniors looked at the needs of society and attempted to accomplish tasks to help those needs.

As we leave tonight we must never give up the practice of giving of ourselves to others."

*Geoffrey Tebbetts*
